

ISO 45001:2018 Auditor Migration Training Course (Occupational Health and Safety Management Systems)

TÜV NORD is a well-established and reliable partner for inspection and certification services throughout the world. With more than 1,200 experienced experts, our pool of auditors guarantees the highest level of competence in the certification of management systems, products and personnel.

Learning objectives:

The aim of this course is to provide information and knowledge about the revisions in the Occupational Health and Safety Management Systems between the BS 18001:2007 and the ISO 45001:2018. The course is structured in two modules:

1. Knowledge and understanding Annex SL as a framework for ISO management systems
2. Knowledge and understanding the requirements of ISO 45001:2018 and be able to audit against ISO 45001 requirements effectively.

The first module is optional for those delegates who have not participated in a CQI and IRCA certified Annex SL Training Course yet. It covers the changes arising as a result of the adoption of Annex SL. All students who participated successfully in Annex SL part in combination with another course (e.g. ISO 9001:2015 or ISO 14001:2015 Transition Training Course) are able to attend in Module 2 only – as a standalone training course.

The second module covers the changes arising as a result of the requirements to the standard specific content of ISO 45001:2018.

The training is highly interactive and consists of knowledge based sessions as well as practical exercises.

Successful completion of the course (continuous assessments and examination) will result in the issue of a certificate, which may be used to retain an existing IRCA auditor appointment for Occupational Health and Safety Management Systems and therefore convert the BS 18001 auditor appointment to an ISO 45001 auditor appointment (IRCA certified). In case of fail result of the examination, delegates have the right of a resit examination within 12 month of the last day of the course.

Being certified as an IRCA auditor is a clear statement that you are a recognized, qualified and capable auditing professional.

Recommended prior knowledge:

The students are expected to have an in depth knowledge of OHSAS 18001:2007 and auditing techniques. Otherwise it is recommended to attend a five days ISO 45001:2018 Lead Auditor Training Course.

Group of participants:

This course is intended to all auditors and persons with OHSAS 18001:2007 knowledge – e.g. management system consultants, relevant levels of management involved in maintenance of Occupational Health and Safety Manage-

ment Systems – who want to have information about new structure and philosophy of ISO 45001:2018, changes compared to OHSAS 18001:2007 and corresponding interpretation. The number of delegates is limited to max. 20 people.

Conditions of participation and payment

Registration must be in writing (e.g. also by fax and email) before the start of the seminar. Applications are recorded in an address file, processed in the order in which they are received, and then confirmed if accepted. Registration is binding for the participant.

It is only possible for the participant to cancel the registration cost-free up to three weeks before the start of the seminar. Cancellation must be in writing. If cancellation is received later or the participant fails to attend or breaks off the seminar prior to completion, we will charge the full amount for the seminar. The relevant date is the date when the cancellation is received at our office. It is possible to name a substitute at any time. Payment of the seminar fee confers entitlement to receive the seminar documents.

The participation fees are net prices. If not stated to the contrary, the current statutory rate of VAT must be added. The participation fee falls due upon receipt of invoice, without any deduction. Please only transfer the stated invoice amount following receipt of invoice, stating the invoice number.

TÜV NORD retains the right to cancel a seminar based on an insufficient number of participants or if reasons for cancellation exist for which TÜV NORD is not responsible (e.g. illness of the trainer, Act of God). The participants are informed immediately in such cases. Any seminar fees that have already been paid are reimbursed; further claims are expressly excluded!

Final provisions

If one or more of the above provisions should be or become invalid, the validity of the remaining conditions shall not be affected. Provision(s) which approach as closely as possible the business or economic objective of the contract and which take due account of the interests of both parties shall replace the ineffective provision(s).

The data required for registration is only transferred to third parties after the current valid data protection regulations have been taken into consideration.
